Wall Magazine "AAIO"

The Wall Magazine of Chopra Kamala Paul Smriti Mahavidyalaya was published by the College students and staff in every academic year from 2018-19, but due to epic pandemic we couldn't publish the College Wall Magazine in 2020-21 session. After reopening of college we have published our Wall Magazine again from the academic session 2021-22.

The name of our Wall Magazine is 'Aalo'. It is a Bengali word and it means light. By this name we want to express that our students who are from backward region and also from first generation learner will be enlightened through creative writings, motivational writings and stories of successful persons, and valuable information on academic and extracurricular opportunities provided by the writers mentoring by teachers.
