CHOPRA KAMALA PAUL SMRITI MAHAVIDYALAYA: THE COLLEGE AT A GLANCE

Chopra Kamala Paul Smriti Mahavidyalaya was established in the year 2013 by an engaging initiative of the local enthusiastic people who were interested to spread education in the Chopra Block and surrounding areas. The name of our college is in memory of Late Smt. Kamala Paul whose eligible sons donated the land. Initially the College started at Chopra Boy's High School before shifting to the present premises at West Chutiakhor (now College Para), Chopra, near Chopra Block Development Office, in the South-Eastern fringe of the town. The College campus stands tall, overlooking sprawling and serene greenery spreads over 8 acres of land. It is a Government- aided Degree College affiliated to the University of North Bengal and included under UGC 12(B) and 2(f) in the year of 2022.

Rapid strides have been made over the years in introduction of honours courses, enlargement of faculty strength, introduction of co-curricular activities like the National Social Service (NSS) and National Cadet Corps (NCC), and garnering government support, to name but a few. First Honours course was introduced in Bengali in 2017. Then honours courses in Political Science and History were introduced in 2018, English and Urdu in 2019 and Philosophy in 2020 respectively, and the college produced its first batch of proud Graduates in 2016. The year 2020 also saw the opening of the NCC Boys' and Girls' Wing by the efforts of generous person likes Rishu Rai, Assistant Professor of History of our college.

Motto of the College

The main motto of our college is to 'Lead us from Darkness to Light,' and to let the light of knowledge give us more power to usher in a new dawn of hope and aspirations for the people in the Chopra block and adjoining areas.

Scope and Mission of the College

The College is situated in a socio-economically disadvantaged and challenging rural belt of North Bengal, rich in cultural diversity, indigenous languages, and traditional knowledge. Thus we are committed to develop the institution as a site of empowerment of the local people, who can carry forward the cause of education in its highest and widest sense, enriching and transforming ways of their living and to conserve the diversified field of traditional knowledge. Apart from the conventional courses, the College Authority is also interested to introduce community based and vocational courses, especially for women in the coming future so that they can be equipped with skill based training to further their need for sustainable livelihoods.

Message from Teacher- in- Charge

I feel greatly proud to be currently associated with Chopra Kamala Paul Smriti Mahavidyalaya, which entered its 12th year traversing its path of spreading the education in rural area. It is a great pleasure for all of us that our Government- aided Degree College was recognized under UGC 12(B) and 2(f) in 2022.

On the auspicious occasion of the beginning of a new academic session, we pledge to provide all sorts of cooperation and support for the further development and smooth functioning of the college as well as maintenance of a peaceful ambience conducive to ideal teaching and learning inside the campus. Holistic development of the individual is the goal of education, and we all have to ensure that there is no stone left unturned to equip the student of today for the challenges of life.

I would like to convey my heartiest congratulations and profound sense of gratitude to all teaching staff, office staff and students of the college who have considerably contributed to the metamorphosis of the college into a would be centre of excellence in the arena of higher education.

Before concluding, I must convey my deep sense of gratitude to the local enthusiasts who initiated this educational endeavor, particularly Late Smt. Kamala Paul and her family.

I also wish the young learners all the best for achieving greater success and scaling new heights in their education and career ahead.

by clicking the “Centralised Admission” tab or directly to <https://wbcap.in/>
3. There is no application fee.
4. An applicant can apply for a maximum of 25 programmes/ courses in one or multiple. An applicant can create a Preference List, Higher Educational Institutions across the State. Higher Educational Institutions across the State. An applicant can create a Preference List, Institution wise and course-wise.
5. A prospective student/ candidate can register on the Portal, after which the candidate will be given a User ID and Password.
6. Student can edit (addition/alteration) preference at any point of time until the application window closes.
7. Merit list will be system generated, Institution-wise/ Course-wise and will be published on the same day.
8. The students can also see their merit positions for all the courses as applied for on their dashboards.
9. However, the student will be allotted only 01 (one) seat (higher available preference as per eligibility) and can see the same in the dashboard.
10. An admitted applicant will get the scope of upgrading to higher level preference.

Benefits of the Portal:

1. The Portal aims to provide opportunities to the students, to choose their desired course in the desired colleges via a single window platform and also to stop admission in multiple times by a single student at various colleges/Universities so that maximum number of seats can be filled up in all Colleges/ Universities in every academic year.
2. The unique feature of the portal is that a candidate will be offered ONLY ONE seat, depending on the candidate's highest preference **with the scope of up-gradation**, subject to availability of vacancy and merit position.

ADVANTAGES:

1. A candidate will be able to search for courses, Colleges, Universities across the State and access all relevant details such as course-wise eligibility criteria, number of vacancies, formula for merit-index calculation, elective subjects offered by any College/ Higher Education Institution (HEI), College/ HEI profile etc.
2. Payment of fees for admission also can be done through this portal.
3. **An admitted student** will get chance for upgradation to higher reference, if opted for and if the seats are available as per eligibility.
4. Regarding admission to higher preference, only the additional amount is to be paid through the portal. However, if the fee for the upgraded course is less, then the balance amount will be refunded after completion of the entire admission process automatically to the account number provided during application.
5. Payment gateways are HDFC, Bill Desk. There is no additional charge to be paid by the student for using the payment gateways, other than the Admission Fee.
6. Students can take help of the 'Bangla Sahayata Kendras' for filling up their application form, if needed.
7. User manuals and Tutorials have been provided in the portal for step-by-step guidance to the students.
8. Students will be notified on status through SMS at each step. The applicant will also be able to see individual status through student's own dashboard.
9. The Centralised Admission Portal will start receiving online applications from 00.00 Hrs on 24.06.2024.
10. Schedule Copy (Phase-I & Phase- II).
11. **All students are requested to stay connected with the social media platform of Higher Education Department and Portal website for latest information. Details of social media platforms are as below:**

COLLEGE LIBRARY

A library is considered as the heart of an institution and storehouse of knowledge. The basic objective of the library is to disseminate knowledge among its users and to help individuals to discover themselves. At present our College library has more than 3500 books covering a wide range of disciplines and subjects, including the seven courses offered in the College. Besides, the library has a good collection of ready reference books such as encyclopaedias, dictionaries and yearbooks. The library also subscribes two daily newspapers in English and Bengali. Apart from books, the library also offers a reading room facility. The users, including the teachers, are allowed to borrow more than one book at a time against reference card. The library is endowed with a library assistant, who has been striving hard to meet the pressing demands of the students and teachers by rendering various library services. Despite infrastructural limitations, our library staff have been helping and assisting the users in a personalized and hospitable atmosphere. As a part of future plan, we are also looking forward to offer best digitized and modern library services to our students, teachers and staff. The library is open on all the working days from 10:30 am to 3:30 pm.

Extra-Curricular Activities

The College aims at the all-round development of the students and hence believes in both edutainment and infotainment. The College regularly organises sports, cultural programmes and awareness camps to engage students in productive and meaningful activities. The students also participate in intra- and inter-college programmes like debate, singing, dancing, drama etc.

NATIONAL CADET CORPS (NCC)

The National Cadet Corps, engaged to develop comradeship, leadership and to evoke patriotism and discipline, is an important unit in the College. For the students aspiring for a career in the Indian armed forces, the NCC provides a gateway by training and equipping the “gentlemen cadets” with the rigors of army life. The interested students can voluntarily enroll themselves. As a part of the NCC, the “gentlemen cadets” are required to attend camps and are eligible for ‘B’ & ‘C’ certificate after passing the examination which can be helpful for them in the future.

NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme, a central sector scheme of the Ministry of Youth and Sports, Government of India, is a special wing in the College along with NCC. NSS ensures the students to become an accomplished leader, an efficient administrator and an aesthete. The students are encouraged to participate in the activities organised by the NSS. As a part of its mandate, NSS regularly organises social, cultural and humanitarian activities for the betterment of the local communities. Among others, the NSS engages itself in a broad array of activities such as cleaning of campus, planting saplings, creating awareness, organising health camps and participating in events like World Earth and AIDS Day.

CAREER GUIDANCE CELL

Career Guidance is a comprehensive counseling program designed to assist students in selecting the optimal career path aligned with their educational background, professional interests, and personal aspirations. It is a qualitative and quantitative assessment of the knowledge, skills, information, and experience to identify career options available. In India, awareness, and information about various career options available to students passing out of school are limited. The culture of going to a career advisor is almost non-existent. Most students are familiar with fewer than ten traditional career options, such as engineering, medicine, law, finance, IT, and others. In contrast, there are more than 250 career options available today. In other words, the awareness levels of many career options are very low in the majority of students. A career advisor or counselor is an expert in exploring students' skill sets and interest levels and suggesting a balanced solution combining the merits of both. The career advisor relies on career interest or aptitude tests as part of the discovery process to identify factors influencing career interests, abilities, and values. In essence, a career advisor sets realistic career goals for each student. Our college has introduced Career Guidance Cell in the interest of students in the year of 2018.

STUDENT CREDIT CARD

The college has provision for “Student Credit Card” scheme introduced by the Govt. of West Bengal under which a student can get loan up to Rs. 10 lakh @ 4% simple interest rate annually, subject to approval by the competent authority. For further details, visit website <https://wbcc.wb.gov.in/>
